4. Termination of the Bonus Offerings.....	2
5. Amended Risk & Trading Disclosure Clause.....	2

1. Introduction

1.1. The First Time Deposit (hereinafter referred to as the “FTD”) and subsequent redeposits are collectively eligible for the 100% Tradable Bonus Offering, provided by Stonefort Securities (hereinafter referred to as the “Company” or “SFS”), subject to the following Terms and Conditions.

1.2. By participating in the Bonus Offering, the Client acknowledges, confirms, and agrees to be legally bound by these Terms and Conditions, as well as any other legally binding agreement between the Client and SFS.

2. Definitions

2.1 To be eligible for the Bonus Offer, the Client must have opened a trading account with SFS and must be at least 18 years of age.

2.2 The Bonus Offering is available exclusively to fully verified clients holding MT5 trading accounts and is applicable across all account types, including Starter, Advanced, and Elite.

3. Eligibility and Onboarding

3.1 The 100% Bonus applies to the First Time Deposit (FTD) and all subsequent redeposits, subject to a combined maximum cap of USD 1,000.

3.2. The total Bonus awarded to a single trading account shall not exceed overall CAP of USD \$1000, regardless of the number or size of deposits.

3.3. To qualify for the Bonus Offering, clients must meet the minimum deposit requirements for their Stonefort Securities account type: USD 50 (Starter), USD 3,000 (Advanced), and USD 10,000 (Elite).

3.4. The Bonus is either automatically applied to qualifying deposits or must be claimed manually by sending us an email to support@stonefortsecurities.com within 7 days of the deposit.

3.5 The Bonus is issued as trading credit and can be used as trading margin.

3.5 A The Bonus is provided strictly as non-withdrawable trading credit, does not constitute client funds, and may be used solely for trading margin purposes.

3.6 The Bonus is credited as trading credit and it increases the available margin and helps support open positions during market volatility.

3.7 Any withdrawal from the account (whether principal or profits) will result in a total removal of the Bonus.

3.8 Only one Bonus is permitted per verified Client, household, IP address, or device. Multiple accounts by the same user may lead to disqualification.

3.9 Any bonus issued on a subsequent deposit will be credited only after the previously granted bonus has been fully removed or exhausted. Concurrent or multiple active bonuses are not permitted.

4. Termination of the Bonus Offerings

4.1. The Bonus may be revoked and removed from the Client's account with immediate effect in the following cases:

4.1.1. If the Company suspects or has reason to believe that a Client has abused and/or manipulated the Terms and Conditions of this Bonus Policy by:

- Scalping (including high-frequency pip trading strategies);
- Arbitrage trading;
- Hedging positions using internal accounts;
- Latency arbitrage or any form of system abuse; and/or
- Bonus stacking or multiple entries from the same user/household/IP;

SFS reserves the right, at its absolute discretion and without obtaining the Client's consent to remove the Bonus Offering from the Client's Trading Account with immediate effect.

4.2 The Company is not liable for any losses resulting from Margin Calls or Stop Outs that may occur following the removal of any Bonus Offering in accordance with this Policy.

5. Amended Risk & Trading Disclosure Clause

5.1. The Client acknowledges that trading Contracts for Difference (CFDs) on margin carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against the Client as well as in their favour. Before deciding to trade, Clients should carefully consider their investment objectives, level of experience, and risk appetite. There is a possibility of losing all or part of the initial investment and therefore Clients should not invest money that they cannot afford to lose. Clients are advised to fully understand all risks associated with CFD trading and seek independent financial advice if required.

In addition, the Client acknowledges and agrees that in the event multiple trading accounts or profiles are identified as being operated or controlled from the same IP address, device, network, or environment, Stonefort Securities (SFS) reserves the right, at its sole discretion, to suspend, withhold, reverse, or block any profits, bonuses, incentives, and withdrawal requests associated with such accounts, without prior client consent. The Client will be notified of such action through official communication channels or customer support.

The Client acknowledges that any bonus credited is non-withdrawable trading credit only and does not form part of the Client's deposited or withdrawable funds.
