100% Bonus + Cash

Terms & Conditions

Content

1.INTRODUCTION

1.1. The First Time Deposit (the "FTD") and all subsequent redeposits are collectively eligible for the 100% Tradable Bonus Offering, provided by Stonefort Securities (the "Company" or "SFS"), subject to these Terms and Conditions.

1.2. Additionally, clients who trade a cumulative volume of 30 standard lots within 30 calendar days of bonus activation are entitled to a $250 cashback reward, subject to these Terms and Conditions.

1.3. By participating in this Campaign, the Client acknowledges, confirms, and agrees to be legally bound by these Terms and Conditions, as well as any other legally binding agreement between the Client and SFS.

1.4. This campaign is valid until 31st July 2025. SFS reserves the right to modify, suspend, or terminate the campaign at any time without prior notice.

2. ELIGIBILITY & ACCOUNT REQUIREMENTS

2.1. To be eligible for the Bonus and Cashback Offer, the Client must have opened a trading account with SFS and must be at least 18 years of age.

2.2. The Bonus Offering is available exclusively to fully verified clients holding MT5 trading accounts and is applicable across all account types — Starter, Advanced, and Elite.

2.3. Only one Bonus is permitted per verified Client, household, IP address, or device. Multiple accounts by the same user may lead to immediate disqualification.

2.4. The Cashback reward is tied to the same account that received the Bonus. It cannot be transferred across accounts or clients.

3.BONUS AVAILABILITY

3.1. The 100% Bonus applies to the FTD and all subsequent redeposits, subject to a combined maximum cap of USD 1,000.

3.2. The total Bonus awarded to a single trading account shall not exceed an overall cap of USD $1,000, regardless of the number or size of deposits.

3.3. Minimum deposit requirements by account type: USD 50 (Starter), USD 3,000 (Advanced), USD 10,000 (Elite).

3.4. The Bonus is issued as trading credit. It is strictly non-withdrawable, does not constitute client funds, and may be used solely as trading margin.

3.5. The Bonus increases available margin and helps support open positions during market volatility.

3.6. Any withdrawal from the account (whether of principal or profits) will result in the total and immediate removal of the Bonus.

3.7. The Bonus is either automatically applied to qualifying deposits or must be claimed manually by emailing support@stonefortsecurities.com within 24 hours of the deposit.

3.8. Any bonus issued on a subsequent deposit will be credited only after the previously granted bonus has been fully removed or exhausted. Concurrent or multiple active bonuses are not permitted.

4.Cashback Reward - $250 for 30 Lots in 30 Days

4.1. Clients who accumulate a minimum trading volume of 30 standard lots of Gold (XAUUSD) within 30 calendar days from the date of bonus activation are entitled to a $250 cashback reward.

4.2. Only trades executed in good faith and in compliance with these Terms and Conditions will count towards the 30-lot volume target.

4.3. Trades identified as abusive, manipulative, or in violation of Section 6 (Prohibited Trading Behavior) will be excluded from volume calculations and may result in forfeiture of the cashback and bonus.

4.4. The $250 cashback is credited to the eligible trading account upon verification of the volume target by SFS compliance.

4.5. The cashback reward is separate from the trading bonus and does not affect the non-withdrawable nature of the bonus credit.

4.6. SFS reserves the right to withhold the cashback reward if it suspects any form of abuse, manipulation, or breach of these Terms and Conditions.

5. Leverage & Stop-Out Levels

5.1. Starter & Advanced accounts: Stop-out level of 20%, maximum leverage up to 1:500.

5.2. Elite accounts: Stop-out level of 50%, maximum leverage up to 1:200.

5.3. Net Equity is calculated as Equity minus any trading credit (bonus). Bonuses are not considered for Stop-Out purposes.

5.4. If your Net Equity drops below the required Stop-Out level, SFS may automatically close some or all open positions without prior notice and remove any trading credit.

5.5. The Client is responsible for maintaining sufficient own funds in their account at all times to avoid a Stop-Out event.

5.6. SFS is not liable for any losses resulting from Margin Calls or Stop-Outs that occur following the removal of any Bonus under this Policy.

6. Prohibited Trading Behavior & Abuse Policy

SFS maintains a strict zero-tolerance policy against any trading behavior that abuses or manipulates the spirit of this Bonus and Cashback Offering. The following practices are expressly prohibited and will result in immediate removal of the bonus, forfeiture of cashback, and may result in account suspension:

Strictly prohibited - bonus & cashback will be immediately forfeited

- Scalping strategies including high-frequency pip trading (see scalping rules below)
- Arbitrage trading of any kind, including statistical or latency arbitrage
- Latency arbitrage or any form of system/price feed exploitation
- Hedging positions using internal accounts or accounts linked to the same beneficiary
- Bonus stacking claiming multiple bonuses from the same user, household, IP address, or device
- Opening simultaneous buy and sell positions at the same timestamp on the same or related instruments
- Using third-party software, bots, or algorithms designed to exploit bonus conditions
- Any coordinated trading designed to artificially inflate lot volume for cashback qualification
- Any form of market manipulation, wash trading, or fictitious transactions

Scalping-specific rules:

Rule 1: Minimum trade duration: Any trade held for less than 50 seconds will be strictly discarded and will not count toward the 30-lot cashback volume target. Such trades may also trigger a review of the account for bonus removal.
Rule 2 : Simultaneous buy/sell orders: Any Buy and Sell order placed at the same timestamp on the same instrument will not be accepted or recognized. Such orders will be cancelled, excluded from all volume calculations, and flagged for compliance review.

6.1. SFS reserves the right, at its absolute discretion and without the Client's prior consent, to remove the Bonus and forfeit the Cashback Reward from the Client's Trading Account with immediate effect if any of the above behaviors are detected or reasonably suspected.

6.2. Any profits generated through prohibited trading strategies may be reversed and are not eligible for withdrawal.

6.3. SFS's compliance team continuously monitors trading activity. Detection of abuse may result in permanent account restriction in addition to forfeiture of all bonuses and cashback.

7. Termination of the Bonus Offering

7.1. The Bonus may be revoked and removed from the Client's account with immediate effect if SFS suspects or has reason to believe that a Client has abused or manipulated the Terms and Conditions of this Bonus Policy.

7.2. SFS reserves the right to terminate the entire campaign at any time, with or without notice, including prior to the 31st July 2025 deadline.

7.3. In the event of account closure, voluntary or otherwise, all bonus credit and any unclaimed cashback will be immediately voided.

8. Risk Disclosure & Multi-Account Policy

8.1. Trading CFDs on margin carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against the Client as well as in their favour. Clients should carefully consider their investment objectives, level of experience, and risk appetite before trading.

8.2. There is a possibility of losing all or part of the initial investment. Clients should not invest money they cannot afford to lose.

8.3. Clients are advised to fully understand all risks associated with CFD trading and seek independent financial advice if required.

8.4. In the event multiple trading accounts or profiles are identified as being operated or controlled from the same IP address, device, network, or environment, SFS reserves the right at its sole discretion to suspend, withhold, reverse, or block any profits, bonuses, cashback incentives, and withdrawal requests associated with such accounts, without prior client consent.

8.5. The Client acknowledges that any bonus credited is non-withdrawable trading credit only and does not form part of the Client's deposited or withdrawable funds.

9. General Provisions

9.1. SFS reserves the right to amend these Terms and Conditions at any time. Continued participation after any amendment constitutes acceptance of the revised terms.

9.2. These Terms and Conditions are governed by and construed in accordance with the applicable laws of the jurisdiction under which SFS is regulated.

9.3. In the event of any dispute, SFS's decision shall be final and binding.

9.4. For queries or to manually claim the bonus, contact: **support@stonefortsecurities.com**

Campaign valid until 31st July 2025. All bonuses are non-withdrawable trading credit.
Past performance is not indicative of future results.

CFD trading involves significant risk of loss. Please trade responsibly.
