ABOUT

STONEFORT SECURITIES

Stonefort Securities is a globally recognized Forex and CFD broker headquartered in Dubai, with a strong international presence. We offer premium trading across Forex, Metals, Commodities, Indices, Stocks, and Crypto CFDs via the advanced MetaTrader 5 platform.

Our operations are regulated by respected authorities, including the Capital Market Authority (CMA) UAE and the Financial Services Commission (FSC) Mauritius, reflecting our absolute commitment to transparency, compliance, and client protection. Backed by education, innovation, and exceptional service, Stonefort Securities delivers a seamless, reliable trading experience for traders worldwide

WHY STONEFORT?

Regulatory Excellence

Regulated globally by the CMA (UAE) and FSC (Mauritius), ensuring top-tier transparency and fund safety.

Elite Trading Technology

Seamless access to high-performance charting and trading via MT5 and the StoneforTrader app.

Global 24/7 Support

Round-the-clock assistance from market experts in multiple languages for a seamless experience.

Quick Execution

Ultra-low latency order routing backed by top-tier liquidity to eliminate slippage.
